Cancellation Policy:

You and your beloved pet are our priority and we value your time! You can help us by valuing our time as well. If you need to cancel or reschedule your appointment, please let us know as soon as possible.

Cancellations less than 24 hours before the scheduled appointment are subject to a cancellation fee equal to 1/2 of your appointment fee. No shows are subject to a cancellation fee equal to your appointment fee.

We charge this fee because your appointment reserves our team's time to be with you and your pets and that time slot is not available for us to offer to other clients. Therefore, a cancellation leaves us with an empty block of time that otherwise could have been offered to other clients, but that cannot easily be filled at the last minute.

We appreciate your understanding and respect for our time and commitment to your beloved pets.

Please call us or email us at dreamteam@sleepydog.vet if you are unable to keep your pet's appointment.

By signing below, I affirm that I have read the above and agree to the cancellation policy:
